Make your team stronger by volunteering at the Celtic Classic Highland Games and Festival.

At the Celtic Classic, we ask only a 4-hour time commitment. During your volunteer shift, your company may hang banners or posters, supply marketing materials and most importantly have your staff work together on fun project outside the work place. We encourage your group to wear your organization's shirt for maximum visibility promote a sense of unity & pride in their workplace.

Our beer & spirit sites promote your staff working together on the same level, while having fun. No bosses allowed! Who can tap a better beer, the CEO or HR Manager? Who has better cashier skills, the Director of Finance or a Sales Team Member? It doesn't matter! But everyone will laugh and have fun trying to find out! Stay tuned to see how that carries over to Monday when everyone returns to the office.

Please contact the CCA office as soon as possible to reserve your shift. Registration has begun and openings will not last long. Contact phone: 610-868-9599. Contact email: jarecker@celticfest.org
