

## **Celtic Classic Performer Submissions**

**Celtic performers** wanting to be considered for the Celtic Classic Highland Games & Festival should send a press kit, music sample and Performer Application to the address below.

Submissions must be accompanied by the Performer Application.

Note that the Celtic Classic Highland Games & Festival is a free event with no gate revenue. This greatly effects the available budget with which we work with to book performers. Please consider this when quoting a price.

We do not acknowledge receipt of your submission and submitted material will not be returned. Because of the large number of submissions we receive, we do not contact entertainers that are not selected to perform.

Page 2 of this application must be completed.
